## Entrance Procedures

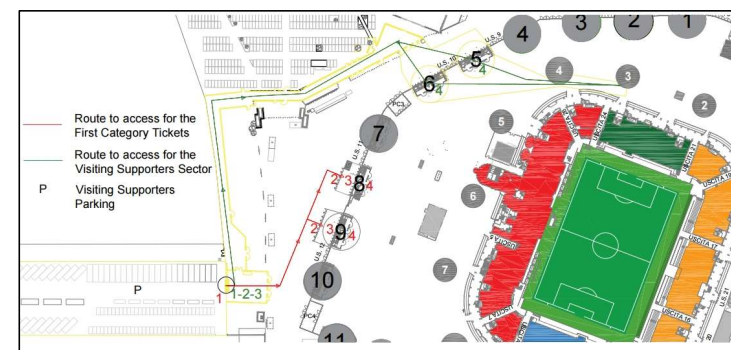

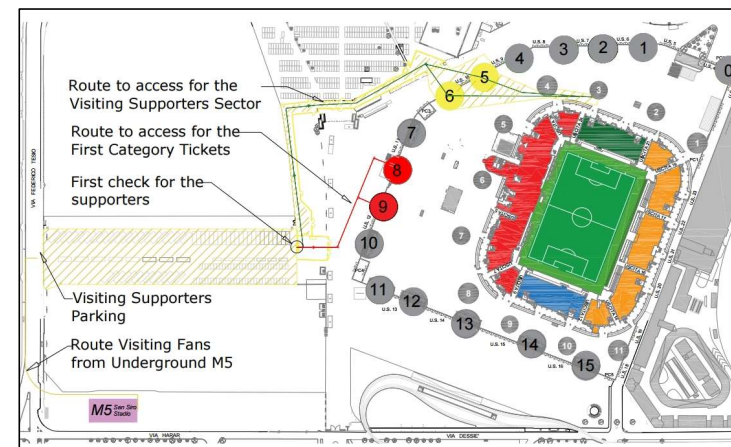

In the map: the protected corridor that connects the Visiting Supporters' entrance and the Third Green Tier.

**Entrance for Visiting Supporters** is only through the Visiting Supporters parking (also if without the car) and then through **Gate 6**.

**Entrance for Category 1** ticket holders is through **Gate 7**.

To enter the stadium:

1. Visual control of ticket possession;
2. Comparison between the name on the ticket and a valid ID document (ie passport);
3. Body search in order to avoid the introduction of dangerous/forbidden items;
4. Entrance through the turnstiles.

# STADIUM REGULATIONS

---

## Standards of Behaviour

Any person who enters the Stadium must respect these Regulations;

- Permission to enter and remain within the Stadium is subject to the possession of a valid ticket and the respect of these regulations; the non-compliance thereof shall result in the immediate termination of the contract, with the consequent offender's ejection from the Stadium and the application of an administrative fine from 100 to 500 Euros. If the offender has already been sanctioned during the same sports season, including in another stadium, due to the same violation of the Stadium Regulations, the fine may be increased by up to half of the maximum amount and a banning order may be imposed on the offender with respect to any sports event;
- as a rule, entrance to the Stadium is granted to ticket holders only through the gate indicated on the proof of ticket purchase or shown on the light panels placed near the entries;
- tickets are personal and not transferable to any third party, except for the cases and according to ways provided by the relevant rules and regulations and by the Event Organiser;
- the spectator who buys a ticket in violation of the procedures for the required segregation of the opponent teams' supporters may be prevented from entering the Stadium. The Event Organiser may also eject the person in question from the Stadium, if the above-said violation is identified after the person has entered the Stadium;
- to enter the Stadium the spectator shall exhibit a valid identity document at the pre-filtering gates together with the ticket in order to allow entry control personnel to check the matching of the registered holder (or legal assignee) of the ticket with the user thereof;
- the ticket shall be exhibited at any time at the request of stewards and shall be kept, in any case, as long as inside the stadium;
- the spectators have the right/duty to occupy only the seat allocated to them by their tickets and therefore undertake, upon ticket purchase, not to occupy any other seat, even if not used by other persons, except when expressly authorised by the Event Organiser;
- the spectators may undergo controls and checks made by stewards also through the use of metal detectors for the purpose of preventing the introduction of illegal, forbidden and/or dangerous items into the Stadium; during such checks the spectators must follow the stewards' instructions;
- access to the Hospitality Areas is regulated by the rules shown close to the entrances and inside said areas and lounges;
- the club may refuse access to the Stadium also on the occasion of successive matches to any person who violates these Regulations.

# STADIUM REGULATIONS

---

## Inside the Stadium and in the external reserved area it is forbidden:

- to introduce or carry shotguns or firearms, explosives, fireworks, smoke bombs, flares, stones, knives or other sharp or cutting objects, or any instrument designed to offend or to be thrown, sound instruments (drums, trumpets, musical instruments of any kind), loudhailers and other sound producing or amplification systems, laser devices and the like, and any dangerous or hazardous item that may compromise public safety, cause nuisance or hinder the regular course of the sports event;
- to introduce alcoholic beverages of any kind;
- to introduce or carry narcotic substances, poisons, harmful substances, inflammable material, paints or other staining material;
- to enter and remain within the Stadium while drunk or under the effect of narcotic or mind-altering substances;
- to introduce or sell inside the Stadium drinks contained in cans or glass or plastic bottles;
- to introduce any kind of animals;
- to introduce bibs or any other clothes similar to the uniform of stewards or other service staff;
- to introduce double pole flags;
- to introduce and display banners, signs, horizontal banners, banderols, documents, drawings, printed or written material, other than those expressly authorized by GOS (Gruppo Operativo Sicurezza - Security Operating Group) upon the request of the Event Organiser, to whom the required documentation shall be sent in advance to obtain said authorization; if authorized, the above may in any case be displayed only in the places indicated by the Event Organiser and must be removed at the end of the event;
- to prepare choreographies other than those expressly authorized, upon prior verification of the prescribed requirements, by GOS at the request of the Event Organiser, to whom the required documentation shall be sent in advance to obtain said authorization;

# STADIUM REGULATIONS

---

## Inside the Stadium and in the external reserved area it is forbidden:

- to introduce and display banners, signs, horizontal banners, banderols, documents, drawings, printed or written material, containing propaganda for political, ideological or religious doctrines, or promoting violence, statements or concepts which incite racial, ethnic or religious hatred, or which are in any case deemed as offensive or capable of jeopardizing or hindering the normal course of the sports event;
- to exhibit material that may obstruct the spectators' field of view or may interfere with the emergency signs or obstruct the ways to exits or to the pitch;
- to act incorrectly or aggressively towards the stewards and, in general, towards control and security staff;
- to carry out any form of racial, ethnic or religious discrimination, including with chants or exhibiting written statements, as well as any manifestation of intolerance;
- to make propaganda of any kind and with any purpose and in any way without the prior written authorisation of the Event Organiser;

A video surveillance system is operating inside and outside the Stadium. All recordings will be made available to the competent Judicial and Public Security Authorities. Data shall be treated according to the provisions of Legislative Decree 196/2003 and Ministerial Decree dated 6 June 2005.

Personal data of ticket buyers or assignees shall be treated for the purposes and according to ways as provided by law and by ticket purchase contract terms.

# *BANNERS, FLAGS AND CHOREOGRAPHIES*

---

It's allowed to introduce small banners if they are composed of the name and/or the logo and/or the colors of the Club and/or the city of the away supporters and not made of dangerous or inflammable materials. Flags can be introduced only if they represent the country of the clubs or their players. Flags and banners have not to block the view of the other spectators.

To introduce and display other kind of banners and flags it is necessary to get the authorization by Milan Police - upon the request of AC Milan, to whom the required documentation shall be sent in advance to obtain said authorization (fans banned from stadia and sport events cannot apply for). AC Milan has instituted a **service to request authorization** to enter and position **banners** and/or **choreography** inside the San Siro stadium on the occasion of AC Milan's home games. All the information about how to send a request can be found on AC Milan Official website:

<https://www.acmilan.com/en/tickets/banners/procedure>

Banners, flags or choreographies can be brought into the stadium through **Gate 6** (visiting supporters gate) on match-day. Police will control that supporters will not introduce and display banners, signs, horizontal banners, banderols, documents, drawings, printed or written material, containing propaganda for political, ideological or religious doctrines, or promoting violence, statements or concepts which incite racial, ethnic or religious hatred, or which are in any case deemed as offensive or capable of jeopardizing or hindering the normal course of the sports event.
